

The Seymore D' Fair Foundation, Inc.

Red Ribbon Week Activities (in progress)

fact sheet

Louisiana Red Ribbon Week Affiliate

The Seymore D' Fair Foundation is proud to be an Affiliate with the National Family Partnership and Red Ribbon Week.

In recognition, Seymore's Foundation is preparing statewide activities for the entire week. Activities include the following;

1. Seymore's Heroes Program

Seymore's Heroes program is a student recognition and pledge program centered on positive behavior. Students make their pledge to live drug free lifestyles and receive a certificate of recognition for their pledge. This program comes with school activities and fundraising components.

2. Seymore Says, "Don't Be a Bird Brain" Avoid Drugs T-shirt Program

To reinforce program and promote positive behavior, Seymore's Foundation provides schools with a "drug free" themed t-shirt program. This simple program is coordinated through our Affiliate Product Partner Educational Products Inc. Participating schools can order directly from EPI, purchasing the program t-shirt at a wholesale cost of \$5.00 per shirt. This low wholesale cost allows school to resell shirts for \$10.00 to \$12.00 each, creating a profitable fundraiser that also carries an important message.

3. Seymore School Art, with a Cause!

Seymore's School Art, with a Cause is a school wide art project that results in a 5' tall statue of Seymore. The color scheme for your statue is chosen from your school wide design contest. The statue is painted by professional artists, making your Seymore Statue a "One-of-Kind" sculpture. Seymore's Substance Awareness message gets reinforced on your school campus every day!
